

1 August 2017

*Attention: All parties to a Transmission Services Agreement or Interconnection Agreement under the Maui Pipeline Operating Code (MPOC)*

**Notice regarding MPOC Tariffs from 1 October 2017**

Current tariffs will be maintained for 1 October 2017 to 30 September 2018 (FY2018).

The current tariffs are:

- Tariff 1 - \$0.001578 per GJ.km
- Tariff 2 - \$0.072061 per GJ

These tariffs, together with prices to be set under the Vector Transmission Code (VTC) for FY2018, will ensure that First Gas' transmission revenue complies with the Commerce Commission's Gas Transmission Services Default Price-Quality Path Determination 2017 (the DPP):

→ Gas DPP reset 2017: Final decision – Reasons papers

→ [2017] NZCC 14 Gas Transmission Services DPP Determination 2017 – 29 May 2017

These tariffs also enable the costs associated with the Maui pipeline to be recovered from MPOC tariffs.

If you have any queries about MPOC tariffs, please contact Chris Bolton (04 803 9012 or [chris.bolton@firstgas.co.nz](mailto:chris.bolton@firstgas.co.nz)).

Yours faithfully
